Greg had a call from the Rotary asking if we would take over the holiday lighting, which would consist of storing the lights. Oneida Madison Co-op will still put them up on the polls for us.

Patty Bikowsky made a motion, seconded by Brad Dixon to take over the holiday lighting, all in favor. Motion carried.

I asked the Town Board if it would be possible to do my January abstract on January 19th, seeing that I have no bills for the January 2nd meeting. We just paid the December bills on December 30th. I will pay all the bills on January 19th and give the board members the abstract at the February board meeting.

Patty Bikowsky made a motion seconded by Jim Lundrigan to accept the abstract to be done on January 19 and the Town Clerk permission to send the paid bills out. All in favor. Motion carried

PUBLIC PRESENTATION: John Gaiser would like dry fire hydrants put in various places around the town as there aren't many places to get water if there is a large fire in a timely manner. John is willing to help out in any way he can to get this approved for the Town of Madison fire district, as he feels it's very necessary, especially when there is a fire outside the village and it takes a while to get water. Greg told him that it was something that had to be done through the DEC and The Madison Fire Department. John has been in contact with the DEC and now will reach out to the Madison Fire Dept Chief.

EXECUTIVE SESSION: none

Patty Bikowsky made a motion seconded by Brad Dixon to adjourn the meeting. Motion carried. The meeting adjourned at 9:25 AM

Respectfully submitted,
Tina Livermore, Town Clerk
